

RESERVE BANK OF INDIA
Annual Return on Foreign Liabilities and Assets

INSTRUCTIONS

The Reserve Bank's **Co-ordinated Direct Investment Survey (CDIS)** and **Co-ordinated Portfolio Investment Survey (CPIS)** are conducted under the auspices of the International Monetary Fund (IMF), wherein information is collected from **Indian resident companies on their foreign financial liabilities and assets position** as at end-March of the previous financial year (FY) as well as the end-December and end-March of the latest FY. This information is used in the compilation of India's Balance of Payments (**BoP**), International Investment Position (**IIP**), Coordinated Direct Investment and Coordinated Portfolio Investment.

The completed return along with a copy of the reporting company's Balance Sheet for the latest year should be sent by **July 15 every year** at the following address:

The Director
External Liabilities and Assets Statistics Division
Department of Statistics and Information Management (DSIM)
Reserve Bank of India
C 8, Bandra-Kurla Complex
Bandra (East)
Mumbai- 400 051

Confidentiality Clause: The company-wise information so provided will be kept confidential and only consolidated aggregates will be released by the Reserve Bank.

Guidelines for filling-in the Schedule:

- 1) Refer to the **definitions given in Annex** before filling-in the return.
- 2) If yours is a Group company, then please ensure that a **consolidated return covering all the Branches/Offices in India** is furnished.
- 3) All amounts should be reported as follows:
 - Lakh of Indian rupees for Blocks 1 to 5 & Block 9
 - Actual foreign currencies for Blocks 6 & 7
- 4) If any block is not sufficient to report all your data, additional sheets as per the respective block's format may be enclosed.
- 5) It may be possible that all blocks of this schedule are not applicable to you. If there are no data to report in a block, please indicate "**Nil**" or "**Not Applicable**" depending upon the case.
- 6) **In case balance sheet is not audited, kindly submit the information based on un-audited figures**. The balance sheet may be forwarded in due course.

After auditing, if there are major differences in the reported figures, revised return may be submitted along with a copy of balance sheet.

- 7) Balance Sheet for the reporting year of your company should be enclosed along with the return.

Methodology for valuation of foreign liabilities and foreign assets:

- Debt securities should be valued at market price, while all other types of debt, viz., loan, trade credit, deposits, other accounts payable/ receivable should be valued at nominal value.
- For the valuation of the outstanding investment, use the corresponding **end-March/ end-December market price/exchange rate**.
- For **listed companies**, the **share price on the closing date of reporting period** should be used for valuation of Equity.
- For **unlisted companies**, use the **concept of "Own Funds at Book Value (OFBV)"** for valuation of Equity, to have consistency in valuation. OFBV reflects the value of enterprise recorded in the book of Direct Investment Enterprise, which is the sum of (i) paid-up capital (excluding any shares on issue that the enterprise holds in itself and including share premium accounts); (ii) all types of reserves identified as equity in the enterprise's balance sheet (including investment grants when accounting guidelines considered them company reserves); and (iii) cumulated reinvested earnings (which may be negative), which would take into account charges for consumption of fixed capital.

Example:

Suppose company's paid up capital = Rs 250 lakh, with FDI 50 % (i.e. Rs 125 lakh)

Accumulated reinvested earnings = Rs 75 lakh

Revaluation of land & shares = Rs 159 lakh

Total = Rs 484 lakh

Therefore, Equity investment by foreign direct investor based on OFBV method is Rs 242 lakhs (50 per cent of Rs.484 lakh).

Before filling the return to the Reserve Bank of India, please check that:

- You have reported all the items of the return relevant to you and as per your records.
- You have signed and dated the schedule.
- All the Annexes, indicated by you, are attached with the return.
- You have enclosed a copy of balance sheet of your Company for the latest year along with the return.
- You have kept a copy of the filled-in schedule in your own records.
